Speaking Topics

Driver of Your Destiny

It's time to get out of the passenger seat and become the driver of your life. This keynote speech gets participants to look at their own lives and begin to see what's possible and how to get what they want in their lives.

You're F'd Up! Full of Fear and Doubt

Too often fear keeps us stuck and we can't move forward. In this powerful presentation participants will learn how to break through fear and move from striving to thriving in life.

Living Your Legacy

It's never too early to start thinking about your contributions to society.. Every day you are building your legacy, the question is, "Is it a legacy you can be proud of?" It's time to be more conscious of your legacy.

Bio

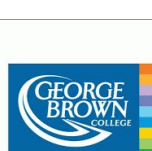

A seasoned transformational speaker that has been electrifying audiences for more than 15 years with his high energy, humorous, and passionate speaking.

Danny is the Author of the best-selling book, **You Have the Keys, Now Drive** a book that teaches people habits to transform their lives.
